### **Coaches and Parent Managers**

Varsity football players will coach the individual teams. We need a minimum of one parent manager per team. Parent managers supervise team during the 6:00-7:30 practice. Athletes will notify the parent manager if they will be absent from practice or game. On game day, only the varsity players will be allowed on the sidelines during the game. Parent managers and all other parents must be on the opposite side of the field during the game. However, if an injury or safety concern arises, please take the necessary actions to assist.
